

Team Trump Planning Major War Using Tactical Nukes Against Iran for Fall 2019 – The Millennium Report

TMR Editor's Note: The following report represents Trump's biggest betrayal yet of the American people. He was voted into office to end the wars and not to start new ones.

The covert war plans being drawn up by the administration's many Neocon warmongers will inevitably trigger the hot phase of World War III. And Trump and his Neocon War Cabinet don't even care. All they want is to conquer Iran for the benefit of Israel.

Sadly, the POTUS now spends more time with MIGA than he does with MAGA. His re-election prospects will be doomed should he wage an unprovoked war of naked aggression against Iran, especially if it's initiated on the pretext of a false flag attack conducted by Israel or other deceitful proxy.

SPECIAL MESSAGE to Israel: Iran has been secretly equipped to fire a variety of highly advanced, surgical strike, ballistic missiles anywhere they want to throughout Israel. Their weaponry and drone technology are far beyond what the West is aware of. Hence, any attack against Israel is guaranteed to ***“wipe Israel off the map”*** as the Israelis say they want to do to Iran, even without the slightest provocation. Tel Aviv will surely become a smoking pile of devastation should the U.S. military attack Iran on behalf of Israel.

WHITE HOUSE INSIDER: War with Iran planned by Trump, to occur in the Fall of 2019

Tactical nukes and ground invasion planned for Iran, according to whistleblower

THURSDAY, APRIL 18, 2019 – ISRAEL TODAY NEWS STAFF

President Donald Trump and his inner circle are planning an extensive invasion of Iran, according to a source working in the White House.

The plan involves a ground invasion and the use of tactical nuclear weapons, in a campaign planned for the Fall of 2019. [Iran](#) will be “wiped off the map” according to the source, and the war effort is expected to cost “two and half times the Iraq War.”

The war will be promoted by the news media and Trump will go right along with it, after an “expected False Flag pinned on Iran, probably something involving the boats in the Strait of Hormuz.” The False Flag is an “integral part of the plan” as Iran has reportedly no desire or intent to start a war, according to the whistleblower.

Trump Administration planning war with Iran

The war plans have the White House staff “in an excited tizzy” as war-hawks like John Bolton put the “finishing touches” on the planned strike. President Trump initially showed resistance to the plan, but has since jumped on board with enthusiasm, convinced Iran is an “existential threat to Israel” and as such, a war is required to “eliminate them.”

Further details have been revealed, including:

- 100 tactical nukes will be used to eliminate the Iranian military.
- 120,000 U.S. ground troops will be used in the invasion.
- France, the U.K., Canada, Saudi Arabia and Israel are expected to join a “coalition” in support of the war.
- CIA assets and counter-intel efforts have been ramped-up over the past year in preparation.
- A “False Flag” is being prepared to be used before the war with Iran.
- Propaganda is being prepped by White House and Israeli counterparts.
- Israel will support the effort and [Benjamin Netanyahu](#) was reportedly “smiling ear to ear” during a recent meeting with John Bolton.
- There are concerns Trump’s “base” may resist or criticize the efforts, so further propaganda efforts are being made to “shore up support” for the war.
- Expected casualties range between 1.2 Million and 2 Million Iranians and 5,000 US troops.

Due to President Trump’s close relationship with Jared Kushner, a sense of “sober import” has been placed on the war effort, which is being as a fulfillment of “Jewish prophecy” within White House circles. Many in the White House believe Jared Kushner is the “Messiah” or Jewish “[Moshiach](#)” who cannot attain his “throne” until Iran is wiped out.

The White House source is a high level official who has been right about many other things in the past, and their identity has been verified.
